Sound Desk Operators

Revd Alex has informed me that we have volunteers who come forward and will need some training. It's all quite easy but I will give you some tuition on the "Dos and Don'ts", but if you find yourself on duty one Sunday and aren't sure what to do, I usually get in before the service fairly early and will be available to help, so don't panic. Please email me on g3oxg@aol.com to let me know when you might be available for the training. Dave Thompson.

A Change in Day for the Nightlight Service

Nightlight is a wonderful calm and still time of prayer and worship with prayer, song and reflections from different contributions. The service always concludes with some form of contemplation. A stilling and worshipful time before the new week begins. The service begins with refreshments from 7:15pm with the service starting at 7.30pm.

Nightlight will now meet on the second Sunday of the month (instead of the 1st Sunday) Changes to this arrangement will be advertised in advance.
